KINDERGARTEN
STUDENT SUPPLY LIST 2017 - 2018**

Dear Parents,

We are asking for your help in pre-organizing your child's school supplies. This will help our team experience success starting on the first day of school. **Please make sure all supplies are labelled and sent on the first day of school.** Thank-you very much for your assistance. **All supplies are mandatory.**

1 – Duotang

1 - ½ interlined page & ½ blank page exercise book (Hilroy (#12155 preferred, as these pages with interlines help with teaching beginning printing skills)

1 – Twin pocket folder to be used for carrying important papers to and from school

1 - package of binder dividers

1 - Backpack (full size, not preschool sized, because folders and library books will not fit)

1 - Pair of indoor shoes (Velcro please, unless your child can tie them independently – please label with your child's name)

2 – Large Elmer's glue sticks (prefer Elmer's purple glue as this brand adheres better, students are able to see where the glue is and papers are less likely to fall off when piled up to hand in, reducing frustration for students)

1– Fine point black sharpie marker (prefer Sharpie markers, as they are permanent, they tend to last longer, do not dry out easily and the colour shows up distinctly on paper)

1 – Set of headphones (full headphones, no earbuds please, because they do not work well for small ears and students become frustrated when they do not fit and fall out – please label with your child's name)
