School Council

Our Win Ferguson School Council is an active part of the school community. Every parent of a student attending Win Ferguson Community School is automatically a member of School Council.

Our goal is to support and enhance student learning by working together with administration and members of the community to promote the well-being and overall effectiveness of the school.

We meet once a month to discuss matters relating to the school, our children's education and special events.

The Leader in Me

Everyone has the potential to be a leader!

Students have the capacity to lead their own lives and affect those around them by making positive choices. The Leader in Me provides students with activities that will help them learn practical character and life skills that will lead to those positive choices. Students will participate in age appropriate fun activities designed to get them thinking.

The Leader in Me is a long term commitment at Win Ferguson School. Both our School Council and the Win Ferguson PTA have made a commitment to support this initiative. For more information on The Leader in Me visit the "Programs" section of our school website.

Get Involved

Being involved in School Council or the PTA is a great way to show your kids that you take an interest in their education, and it sends a positive message that you consider school a worthwhile cause.

By interacting with teachers, administrators, and other parents on a regular basis, you'll gain a firsthand understanding of your child's daily activities that can help you communicate with your kids as they grow and change.

Our School Council and PTA offer a variety of opportunities to suit a variety of interests, talents and schedules. Be part of the team at the school that SHINES!
